MEMORANDUM TO DISTRIBUTION LIST "A"

FROM: S/LPD - Otto J. Reich *OJR*
SUBJECT: Central American News Video Tapes

As a joint project of the Defense Department and this office we now have available video tapes of all Central American news on television as carried by the three principal TV networks. These tapes are available for viewing in this office. We are using them to correct any erroneous reports which the networks may carry and also to attempt to balance the coverage of Central American news. (Polls indicate that 68% of the American people receive their news from television.)
